

"Responsible Chemical Sciences
for World Sustainability"

Welcome Message

On behalf of the **20th Asian Chemical Congress (20ACC)** or **ASIACHEM2025** Organizing Committee and **The Chemical Society of Thailand (CST)** under the patronage of **Her Royal Highness Princess Chulabhorn Krom Phra Srisavangkavadhana**, it is my great pleasure to extend a warm invitation to you to participate in **20ACC on June 23-27, 2025 at the Berkeley Hotel Pratunam in Bangkok, Thailand**, all under the supportive umbrella of the Federation of Asian Chemical Societies (FACS). ACC has grown into a prominent international conference in chemistry for almost four decades. The upcoming 20ACC carries on the tradition of excellence with diverse global involvement across various Pure and Applied Chemistry disciplines.

The 20ACC is particularly noteworthy as it focuses on the **Responsible Chemical Sciences for World Sustainability** theme, making it an event of even greater significance than ever before. This conference is undoubtedly especially suited for the chemistry and chemical sciences field, as they are playing an ever-growing role in tackling global environmental, health, and energy issues. The conference program will cover all the traditional chemistry disciplines and feature exceptional content that reflects the expertise of the global chemistry network. Gathering participants from around the region and the world, this exciting congress offers an excellent platform for engaging conversations, fruitful collaborations, and valuable networking opportunities.

The congress exhibition will showcase multiple companies' and organizations' newest products and advancements alongside various technical presentations. In addition to the enriching congress sessions, you will have the wonderful opportunity to explore Thailand's incredible cultural and tourist attractions. From ancient temples and majestic palaces to stunning natural landscapes, including lush mountains and picturesque beaches, savory culinary delights, and exciting shopping experiences, your time in the Kingdom of Thailand will surely create cherished memories of its hospitable people and remarkable sights.

We look forward to meeting you, your family, and your colleagues at 20ACC in Bangkok! We trust you will have a wonderful and enriching experience at the congress. Your participation and contribution are greatly appreciated and will surely add to the event's success.

With best wishes,

Prof. Dr. Supa Hannongbua

Chairperson of the 20th Asian Chemical Congress (20ACC) or ASIACHEM2025

Sponsorship & Exhibition Package

The **20th Asian Chemical Congress (20ACC) or ASIACHEM2025** will be held in Bangkok, Thailand during June 23-27, 2025. Apart from its strong scientific content, being held in the Heart of Bangkok – connecting to city life and local community with lots of opportunities for exploration is another key factor that will make ASIACHEM2025 even more attractive to the participants. The meeting is expected to be attended by about 600 delegates and exhibitors.

The success of a meeting of this scale will always depend greatly on generous supports from our sponsors. At the same time, we also believe that our sponsors, along with their clients, current or prospective, and industrial partners, will also benefit from their presence in the meeting. We are therefore pleased to propose the following sponsorship opportunities for your consideration.
